

Keeping Up with Technology

1-B | 10:30 - 11:45 am

Instructor: Anthony Rodriguez and Mike Carlson

Stay abreast of current and future technologies to stay ahead of the pack. Mine information in technology previews on Autodesk Labs and various other resources such as blogs and content rich portals for manufacturing and fly past the competition. Below is a list of reference websites that will be presented throughout the class.

Libraries

Autodesk Manufacturing Supplier Content - <http://contentwarehouse.part-solutions.com/PARTcommunity/Portal/autodesk>

Inventor community library - www.cbliss.com

Community Library - <http://www.kwikmcad.com/iparts/electronic.asp>

Supplier Content - www.mcmastercarr.com

Supplier content -
